OUR HISTORY

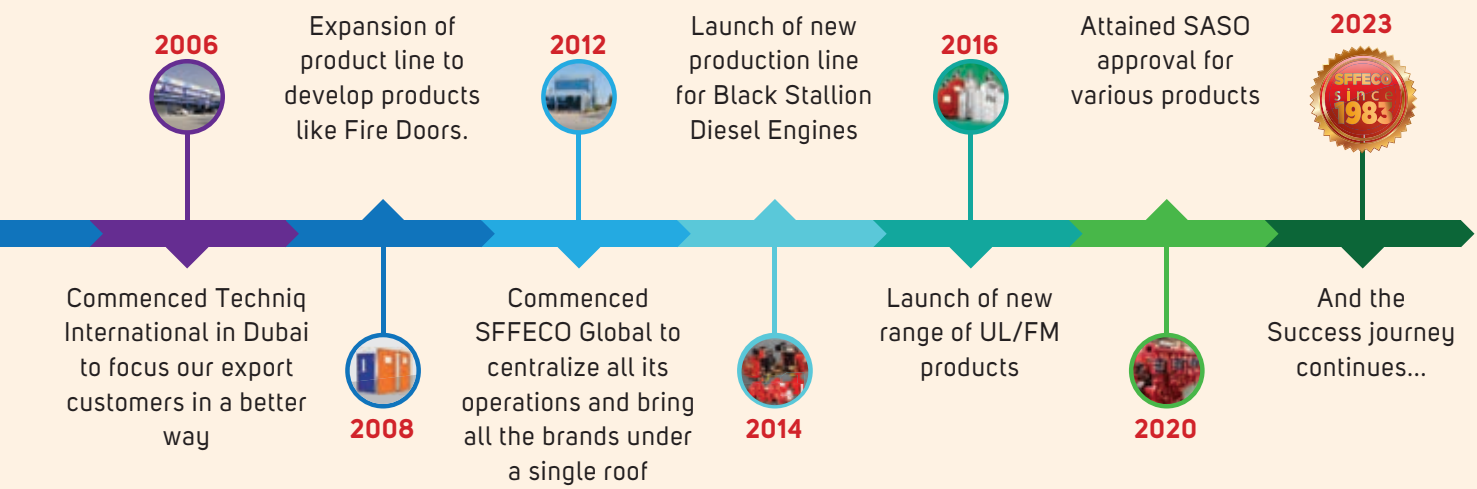

PILLARS OF SUCCESS

QUALITY SERVICES

With a large number of highly qualified staff, SFFECO is certified and licensed to supply equipment with its own comprehensive designs, installations, commissioning and maintenance services throughout the GCC, Asian, African and European countries. SFFECO provides excellent after sales service and earns utmost customer satisfaction by providing functional and technical training and support, and by resolving and troubleshooting issues arising at the client site.

SFFECO'S DECADES OF EXCELLENCE BRINGS THE EXPERTISE AND EXPERIENCE THAT THE FIRE FIGHTING INDUSTRY RIGHTLY NEEDS IN FORM OF DESIGN, CONSULTANCY, INSTALLATION, TESTING, COMMISSIONING AND MAINTENANCE OR REHABILITATION REQUIRED FOR EQUIPPING A FACILITY WITH A FIRE PROTECTING AND FIRE FIGHTING SYSTEM.

POST-MODERN FACILITIES

As global leaders, SFFECO believes in manufacturing quality products and services and extended exceptional service standards in the global market thereby rewarding our customers by keeping their investments safe and secure. The manufacturing plant has grown steadily since 1983 to accommodate modern hi-tech equipment and highly skilled professionals and optimal ISO certified operations to enable roll out of products that match global standards to serve the growing market needs.

RESEARCH & DEVELOPMENT

With SFFECO's Research and development team is an agile and efficient group that has access to diverse scientific skills and expertise globally. Our research resources allow us to quickly investigate and integrate new technical areas of expertise. Our team of product experts and quality control associates, collaborate closely with certifying bodies, government regulatory, technology associations, suppliers and other partners from across the globe, to build innovative and beneficial products and technologies for all our areas of operation.

SFFECO, with its years of experience has always been a progressive organization that has remained in the forefront of the Fire Fighting Industry with innovative, unconventional, environmental friendly, reengineered and unique products.

SFFECO in its state-of-the-art manufacturing plants in Riyadh & Dubai works in close connections with renowned governmental and certification bodies to provide key answers to the challenges faced by the society.
