## Fire Extinguisher Service

### A COMPACT VEHICLE FOR FIRE EQUIPMENT SALES, INSPECTION AND MAINTENANCE

The primary purpose of this mobile fire extinguisher service vehicle is to ensure that all fire apparatus and equipment are in proper working condition. The vehicle is designed to carry the necessary tools, spare parts, and equipment required for inspections, repairs, and maintenance tasks.

The vehicle is equipped with storage compartments and racks to safely store various tools, spare parts, and equipment. This ensures easy access and efficient organization of all necessary items needed for inspections and maintenance.
